MEMORANDUM FOR THE RECORD

SUBJECT: Meeting on 11 September 1968 with Paul Dickopf,  
President, West German Criminal Police

1. On 9 September 1968 the undersigned was advised that [ ] CI Staff, had requested the scheduling of a briefing at the International Police Academy (IPA), a component of the Training Division, Office of Public Safety, (OPS), Agency for International Development, on 11 September 1968 and that in my capacity as Director, OPS, I entertain Mr. Dickopf at dinner the evening of 11 September 1968. [ ] asked that the latter occasion was to be used to brief Mr. Dickopf on the overall activities of OPS in developing countries.
2. As a member of the U.S. delegation to INTERPOL conferences, I have been acquainted with Mr. Dickopf for approximately thirteen years. When Mr. Dickopf became responsible for German assistance to foreign police a few years ago, he asked to be briefed on U.S. programs in order to take advantage of our longer experience in the police assistance field. However, his schedule on previous visits to the U.S. did not permit satisfying this request.
3. Mr. Dickopf was briefed on OPS training activities by [ ] of the IPA staff on 11 September 1968. The evening of 11 September Mr. Dickopf met with me and the following OPS members at my apartment at 2302 Que Street, N.W., where we had cocktails:

[ ]  
Chief, Operations Division

[ ]  
Chief, Technical Services Division

[ ]  
Chief, Training Division and Director, IPA

[ ]  
Chief, Vietnam Division

Later we went to the International Club for dinner.

4. During the evening Mr. Dickopf was briefed on the management and support provided by OPS to police assistance programs currently in progress in 31 countries and the training

and technical assistance provided to other countries upon request. Each Division Chief provided information on his particular responsibility. Mr. Dickopf was most interested and responsive and asked many questions. He assured us that he would be glad to give OPS any assistance he could. He also expressed the belief that we should coordinate our assistance programs to avoid duplication and to prevent a country from trying to play off one country against the other.

5. Mr. Dickopf commented that the program of assistance to the Algerian police is the only contact the German Government has with Algeria since that country severed relations with Germany. He said that Algerian police officials visit Germany every two months to confer with him.
